Dear Mr. Neal:

In response to our meeting of April 29, 1987 concerning Greenacres Landfill, I have enclosed the following items:

1. Information on procuring consultants.
2. Work Plan for the Remedial Investigation.
3. Community Relations Plan.
4. Hydrologic Budget.
5. Refraction Survey.
6. Evaluation of the Geohydrology and Water Quality.

Please forward these to Mr. Dobratz. In addition, I have discussed the financial status of this project with our budget analyst and found that our expenditures, as of March 31, 1987, are \$85,000. If Mr. Dobratz has any questions, feel free to have him contact me at (206) 438-2369.

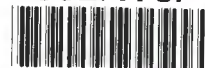

Sincerely,
